Content/Investigations are similar to Honors Biology except in much greater depth-**THIS IS A COLLEGE-LEVEL COURSE**!

Unless you have taken a college-level course; this will be unlike anything you have done before! –

BE PREPARED TO CHANGE THE WAY IN WHICH YOU PREPARE, PARTICIPATE AND REVIEW FOR CLASS!
WHAT WORKED BEFORE MAY NOT WORK NOW…QUALITY over quantity! DESCRIBE AND USE rather than define, ANALYZE, JUSTIFY AND EVALUATE instead of memorize!

- **INPUT AND OUTPUT IS INVOLVED IN YOUR REVIEWING!!!!!** See "Strategies for Success" below.

Course Goal:

- **Preparation to take the AP Biology Exam on**
