

of students and staff.

II. ALTERNATIVE SCHOOL PROGRAMS

The school board of this district shall establish regular programs of said school district, and shall comply with all applicable provisions of the Code, not limited to § 37-13-92 as amended, and the Mississippi Public School Accountability System.

III. SPECIAL EDUCATION PROGRAMS

The State Department of Education shall establish standards for students with disabilities that will promote the purpose of IDEA, and shall be appropriate, with other goals and standards for students of the State Department of Education. Performance indicators used to measure student progress that, at a minimum, address the performance indicators for drop-out rates, and graduation rates shall be used to measure progress toward meeting the established performance indicators. ' 37-23-1

The educational programs and services provided through 37-23-15, 37-23-31 through 37-23-33 shall be designed to provide individualized approaches that enable a child to reach his or her appropriate level of success. The State Board of Education shall establish standards for education programs and students with disabilities, and shall establish standards for services provided to improve the lives of students for life after their years in school. ' 37-23-2

The Mississippi Public School Accountability System shall be established by 18, 19 and 22.
