Section I: DESKS AND LOCKERS

Desks and lockers are school property and always remain under the control of the school. However, scholars are responsible for whatever is contained in desks and lockers issued to them by the school. School authorities may conduct periodic general inspections at any time for any reason related to school administration. Inspection of individual lockers or desks may occur when there is a reasonable basis to do so and, in those cases, the student or a third party shall be present.
