

STUDENT FEES, FINES, AND CHARGES

Section I: Student Charges

Each student shall be informed that he is responsible for every textbook issued to him and that in the event a textbook is lost or damaged, charges will be assessed based on the condition of the textbook at the time it was issued.

Section II: Student Fees

By authority vested in the superintendent by the Board of Trustees, reasonable fees, but not more than actual cost, may be charged for the following:

1. Supplemental instructional materials a

nor shall there be any overt identification of any pupil who has received a financial hardship waiver by use of special tokens or tickets, announcements, posting or publication of names, physical separation, choice of materials or by any other means

3. The school district's procedures shall not expose any pupil receiving a hardship waiver to any type of stigma or ridicule by other people or school district personnel
4. The confidentiality of this policy shall apply equally to any students who have an inability to pay any fees authorized under this policy.

- B. In no case shall the inability to pay the assessment of fees authorized under the provisions of this policy result in a pupil being denied or deprived of any academic awards or standards, any class selection, grade, diploma, transcript or the right to participate in any activity related to educational advancement.

Section IV:

In all cases, student's fees, fines and charges shall be held to the minimum. (DEGD) The superintendent shall establish suitable administrative procedures consistent with this policy for its implementation.
